INDE

Of course the INDE group have been getting Christmassy for the month of December and helped put the Christmas decks up at Annie's and did a wonderful job in doing so. The INDE group potted some lovely plants in pots that they had decorated, some to take home and some for the Tuesday TEAM to sell at their coffee afternoon.

As always, the groups have been cooking themselves some tasty lunches and to finish the week INDE went to the Museum of Making and saw Graeme who showed them how to make rope, then caught the bus to the Blue Peter for their group Christmas meal which was very tasty.

The group have also enjoyed an exciting trip offsite where they put their travel training to good use and caught the bus to Whatstandwell to visit a new museum full of exciting history of old cars. Matthew said that "I thought it was a great museum, it had over 150 different cars and I enjoyed getting to sit in the cars and seeing how cars progressed over time". Many said that his "favourite was the Daimler which the queen travelled in". Over all the group loved the trip and seeing all the cars.

TEAM

Our lovely young adults have been getting into the Christmas spirit this month and done loads of Christmassy activities! The Umbrella TEAM put their elves hats on and put the Christmas tree up in the Green room at Annie's and made the entrance look like a Christmas grotto! They did an amazing job! The group have also been making some secret Christmas presents to take home and also made some extra gifts to sell at their Christmas coffee afternoon that they hosted. The Tuesday group hosted their own little Christmas coffee afternoon where they sold Christmas gifts that they had made, did a raffle, and had a drink and a chat with members of the community and some parents. A lovely afternoon was had by all and they raised a great amount of money for Umbrella.

The Friday group had an early Christmas meal at the Blue Peter and had a great time before wandering round the Christmas markets in town and getting picked up. There have been Christmas letters sent to Santa and the TEAM elves also got creative making Christmas cards and cakes for their nearest and dearest. The Young adults then took great care ensuring that all the waste from the card and cake making went into the correct recycling bins; we love a sustainable elf!

CHILDRENS TRIPS

We are getting ready for the festive season over on Children's services with lots of trips to get us into the Christmas spirit. We launched with a snow man sensory day. This trip included lots of sensory activities, with shaving foam and marshmallows and then a chilled afternoon to watch the classic Snowman film.

Next we went on the elf trail at Markeaton park, it was great fun to try and find the elves, they are very sneaky and great at hiding. We also managed to fit in a round of festive crazy golf.

We have also had a trip to the Christmas Toy Shop show at the Market Place in Derby, which was great fun for all the children, the Babbling Vagabonds who performed the show stopped to have a photo with us.

Not only did we manage to see a show that day, but we also bumped into our friend Graeme at the museum of making. We love going to visit when we are on children's trips in town. Here's some photos of Graeme talking the children through a rope workshop.

And to top it all off, we had a great Christmas party, we sang, danced, had yummy party food and made hot chocolate cones to take home, ready for Christmas eve. We even had a visit from the big man himself....Yes, you guessed it. Santa came to pay us a visit and us all bought chocolate and amazing presents. It was the best party!

ONE TO ONES

Levin and Nevin wrapped up warm and went for a walk from Umbrella House recently to see the amazing Christmas lights on Muswell Road. They loved seeing the amazing decorations. There was so much to look at!

A big thank you to DJ Russ and Jordan, who are regulars at the Party and provide this free of charge.

UMBRELLA FAMILY SUPPORT

In December our support groups celebrated the festive season by taking part in a variety of activities.

On 7th December the City Support group attended a table centrepiece wreath demonstration following by a fuddle at Annie's Place – We are grateful to our Young People for allowing us to use their centre for the activity.

On 8th December the ladies at Belper support group decided to have a traditional Christmas lunch at Cookhouse Pub in Ripley – it was lovely to see so many turn up for the meal and we all had a good time.

Wednesday 14th December our Long Eaton support group attended a “Paint a Bauble and Grazing Table lunch at the Wonky Teapot in Long Eaton – it was a very cold morning but that did not stop these ladies coming out and having a good time. crafting, chatting and nibbling some delicious food.

Girls Group Christmas Party was a wonderful evening. With lots of crafty activities and pass the parcel. This months group was larger than normal and all the girls coped really well. They played games and were so excited to get a little gift from under the Christmas tree!

Boys Group Christmas Movie night was a huge success. The boys choose this activity and they really enjoyed watching the film, doing some fantastic Christmas crafts and eating lots of Pizza, Hot Dogs and Ice cream.

We are really looking forward to all our groups throughout 2023.

The Family Support Team wish you a very Happy New Year!
